

## **Automated Insurance policy printing and distribution**

### **Features**

**Automates insurance policy printing in JetForm Central™**

**Eliminates custom programming in the host application.** JetTrac Policy™ takes care of tray calls, duplex, what pages to print, bar code values, and distribution.

**Eliminates manual labor.** JetTrac Policy interfaces with folder/insert machines for complete automation.

**Automates distribution.** JetTrac Policy can work with JetTrac Archive™ and JetTrac Email™ to distribute policies across the Internet, via WinFrame or U.S. mail.

**Creates tracking security.** JetTrac Policy creates evidence of mailing for the Department of Insurance.

### **The Company**

Pro Technology Automation is an industry leader for developing custom JetForm Central™ solutions. Pro Technology has over six years of experience with hundreds of clients, providing both custom agents and development, consulting, implementation and training for JetForm Central solutions.

### **Other Products**

Pro Technology markets and installs a large variety of its JetTrac™ JetForm Central™ custom agents that give JetForm Central the functionality your business has always needed but lived without until now. Some of the many functions include sorting records, separating documents for different printers, reformatting addresses, reprinting, and more that automate tasks traditionally handled by one or several employees. We can even develop a custom agent specifically for your needs.
